

## PJ's Song

Words and music - Ken Durand © 2012

Basic arrangement and performance by Dan and Ken Durand

---

Sung for my sweetheart PJ at our wedding. We had a laugh when several years ago we had our picture taken in front of the Eiffel Tower by someone passing by and found very little Eiffel tower in the picture when it was developed.

(Yes, this was before we had digital!!!)

~~~~~

We been together for so many years  
Shared happiness, and we've shared some tears  
But tears and happiness make way for all the rest  
The years ahead of us will be the very best.

(Chorus)

Could be in front of the Eiffel Tower  
Or on our screened in porch  
Hand in hand, we're better together.  
Near the Eiffel Tower  
Could be anywhere  
My love, I don't care –  
As long as you're there.

Our love has grown in oh, so many ways  
Any doubt, has vanished in a haze  
As time goes by, we're moving not so fast  
We know our love is one that's sure to last.

(Chorus)

Could be in front of the Eiffel Tower  
Or on our screened in porch  
Hand in hand, we're better together.  
Near the Eiffel Tower  
Could be most anywhere  
My sweet love, you know, I don't care –  
As long as you're there.
